SUBJECT: Stereoviewer Evaluation

1. Effective 15 September 1966, P&DS transferred one 25X

Stereoviewer to PAG on a temporary loan basis for an operational evaluation.

Ewart German
which is a production model originally designed
for stereoscopic work

2. This instrument has some unique features and operating characteristics which we feel may have possible applications in NPIC film exploitation ILLEGIB

EGIB

3. We request that PAG operational personnel evaluate this equipment from both technical and human engineering viewpoints and

that they forward a summary of their recommendations and comments to P&DS at the completion of their evaluation. Simplify this process. ILLEGIB

4. At the completion of *this* evaluation it is requested that PAG transfer the Stereoviewer to IAD for further evaluation. *by this* 25X
